R-A-P-P-E-R™ Fundraising Advisory Services

Business Deck Development (BDD)

Review: Evaluate your current business strategies.
Analyse: Gather essential market data and industry insights.
Propose: Craft compelling Business Decks for presentations.
Plan: Develop a strategic roadmap for your fundraising initiatives.
Execute: Implement winning presentation strategies.
Refine: Continuously refine your Business Deck for optimal impact.

Investment Deck Creation (IDC)

Review: Assess your investment goals and existing proposals.
Analyse: Research potential investors and funding opportunities.
Propose: Develop persuasive Investment Decks tailored to investors.
Plan: Strategise investor engagement and follow-ups.
Execute: Actively pursue investment opportunities.
Refine: Fine-tune Investment Decks based on investor feedback.

Financial Plan Optimisation (FPO)

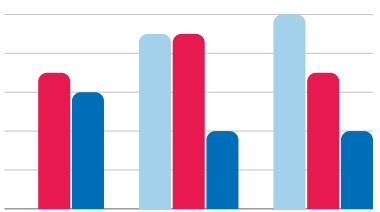

Review: Analyse your financial standing and fundraising objectives.
Analyse: Access relevant financial data and market trends.
Propose: Develop customised financial plans for fundraising success.
Plan: Outline budgeting and resource allocation strategies.
Execute: Implement financial plans with precision.
Refine: Regularly evaluate financial performance and adjust plans.

Vendor Due Diligence Report (VDDR)

Review: Thoroughly analyse existing Due Diligence documents, laying the groundwork for the VDD report. Evaluate vendor capabilities and track record from a seller's perspective, ensuring alignment with the company's goals and fundraising requirements.
Analyse: Gather additional vendor financials and legal documentation for a comprehensive assessment, enabling a detailed analysis vital for fundraising and valuation purposes.
Propose: Outline the contents of the VDD report, detailing vendor capabilities, terms, and agreements essential for fundraising and optimal valuation.
Plan: Develop a comprehensive financial plan and business strategy. Align milestones, governance structures, and strategic objectives, forming a robust foundation for fundraising endeavors.
Execute: Define the governance framework and execution milestones. Detail the plan implementation process, ensuring transparency and accountability in achieving the outlined objectives. Include impact measurement metrics and sustainability practices to ensure long-term viability.
Refine: Integrate impact assessments to gauge outcomes and incorporate sustainability elements, guaranteeing enduring positive effects on all stakeholders. Tailor the report to meet evolving needs and market conditions, ensuring its sustained relevance and unwavering effectiveness over time.

Due Flow Support (DFS)

Review: Scrutinise potential investments and partnerships.
Analyse: Access comprehensive due diligence data.
Propose: Suggest risk mitigation strategies and negotiation tactics.
Plan: Develop a detailed Due Flow timeline and checklist.
Execute: Manage due diligence processes efficiently.
Refine: Post-deal review and refine the future due flow.
